## Eternal Chain of Love & Light

“Sharing from the heart creates an opening for us to become the recipient of that which we provide.” - Gurudev

I, \_\_\_\_\_, join Amrit Mala in the spirit of love, service and surrender. I am a co-creative participant in the integrative intention of carrying these timeless teachings into the world as I deepen my own connection through practice. May this commitment support the growth and blossoming of the Amrit Yoga Institute as well as my own growth and awakening consciousness. I now allocate **\$1 per day for the next three years** to support this intention, beginning on \_\_\_\_\_, 2007.

Jai Bhagwan!
