*Everything happens by Thy grace my Lord,  
Everything happens by Thy grace.  
The devotees are not disturbed as all things happen by  
Thy Will.*

*The sun burns all things with its heat, and  
the cold moon soothes even the most discontented  
ones. Flowers bloom and fade, Oh God.  
All things happen by your wish.*

*Friends help friends, with love, and enemy kills  
enemy, with hatred. The kind rush to help the  
weak, Oh God. All things happen  
by your wish.*

*Good people are full of virtues, while bad  
people are full of vanity. Some are poor  
and some are rich, Oh God. All things  
happen by your wish.*

*Tears come to the eyes of compassionate, cheers  
come to those who are satisfied. Some sing  
the songs of joy, Oh God. All things  
happen by your wish.*

*Happiness and misery are gifts from you.  
Let my faith become strong and astute.  
Kripalu, I am not proud. Oh God, all  
things happen by your wish.*
